Trolleys are a fun way to get around in Coconut Grove, Coral Gables, Doral, Downtown Miami, Miami Beach and Wynwood. There’s even a free trolley that takes visitors from Historic Downtown Homestead to Everglades National Park and Biscayne National Park during the winter and spring high season. The Brightline offers rail service to and from points north from Downtown Miami’s brand new MiamiCentral Station. The Lyft ridesharing application connects people with affordable and reliable rides within minutes.

CRUISE CAPITAL

Miami is called the Cruise Capital of the World™ for good reason. Several major cruise lines and an impressive array of new ships call PortMiami home. Many visitors spend a few extra days pre- or post-cruise to explore all that Greater Miami and Beaches has to offer.

IN THE CENTER OF IT ALL

The newly reimagined Miami Beach Convention Center has undergone a \$620-million state-of-the-art transformation. It includes 500,000 square feet of exhibit space and a 60,000-square-foot ballroom. It hosts popular events such as Art Basel Miami Beach in December.

Miami International Airport’s automated passport control (APC) kiosks are now available to travelers from the 38 countries participating in the U.S. Department of State’s Visa Waiver Program (VWP). APC technology allows travelers arriving at MIA from abroad to have their passports processed in less than two minutes via a self-service APC kiosk instead of waiting in line for a U.S. Customs and Border Protection (CBP) officer. MIA is one of only a few U.S. airports with expedited processing for pre-approved travelers. There are two ways to speed things up: Global Entry and TSA Pre-Check. Visit TSA.gov to get in MIA’s fast lane.

CRUISE CAPITAL OF THE WORLD™

Modern-day cruising began at PortMiami more than four decades ago and, since then, Miami has continued to build upon its reputation as the “Cruise Capital of the World™.” PortMiami welcomes more than 5 million cruise vacationers each year – no other port in the world matches this traffic.

GRATUITIES
Customarily, gratuities of 15 to 18 percent are paid to hospitality industry personnel who render personal services. You may find a restaurant has already added the gratuity to the bill. If you are given assistance with your baggage, \$1 per bag is appropriate. Taxi drivers are usually tipped 15 percent of the fare. When a doorman or valet calls for a taxi, a \$1 tip is generally appropriate. This is also true for the attendant who retrieves your car from valet parking. When tipping for maid service, \$1 per day is a good guideline. Should you engage a concierge's services, tip according to the type of service provided.

DRIVING & TRAFFIC REGULATIONS
U.S. law stipulates driving on the right-hand side of the road and passing on the left. Right turns are permitted at red lights unless otherwise indicated. Always note posted speed limits. All persons riding in an automobile are required to wear seat belts. Children under five years of age must be fastened securely in government-approved child car seats. Division of Driver Licenses: 305/229-6333. The State of Florida recognizes valid U.S. driver licenses, international driver licenses and valid licenses issued in other countries. Tow-away Zones: Tow-away zones are indicated by signs posted at the curb.

LIQUOR LAWS & SMOKING
The legal drinking age is 21. Smoking is prohibited inside restaurants in Miami-Dade County.

THE CONCIERGE
In this high-tech age — one in which it often seems impossible to reach a human being when phoning a business — the concierge's devotion to personal service is something of an anachronism, albeit a welcome one. Just about anything you need can be accomplished, often while you are out sightseeing or attending a business meeting.
